The Hub City Radio Control club voted to reorganize the club for 2014. Each person who joins the club is expected to join one of the groups noted on the HCRCC Membership Application. The following is a brief description of what each committee will accomplish.

Field Maintenance	Mow the grass, clubhouse maintenance, sprinkler maintenance, etc.
New Pilot Training	Join the pool of instructors; assist with new pilot training. Training sessions are held Wednesday evenings in May, June, July, and August. Training sessions move to Sunday mornings in September.
Concession	Volunteer 1 or 2 days during the spring and summer in the clubhouse.
Flightline	Contribute articles and/or pictures
Wings & Safety	Be available when asked to test members for A, B, and C wings. Monitor and report flying activities in light of HCRCC and MAAC safety procedures.
Publicity	Be a member of the phoning tree. Man static displays at malls and other public events. A willingness to talk to the public about our hobby is a huge asset in this role.
Website	Assist with operation and update of club website on an assigned basis, i.e. update posted documents, photos, scheduled events, site layout, etc.
Assistant Secretary	If the secretary is absent from a meeting you would be asked to take meeting minutes.
Assistant Treasurer	Collect club and MAAC fees at meetings if the Treasurer is not able to attend. Note - this job does NOT involve any of the Treasurer's other normal work load.
